

## GLUTEN FREE PIZZA WAIVER FORM

### CAVALLINI MIDDLE SCHOOL

Gluten free pizza is hereby being offered to the students of the Upper Saddle River School District, including but not limited to, Robert D. Reynolds Primary School, Edith A. Bogert Elementary School and Emil A. Cavallini Middle School (collectively, the "School"). The pizza is being offered by and through the Upper Saddle River Parent Teacher Organization ("USRPTO"). The pizza will be served by certain parents of the students of the School.

The pizza delivery shall commence on Monday, October 2, 2017. All orders must be submitted by Thursday, September 28, 2017.

The gluten free pizza will be provided by Marc's Deli and Pizza, located in Park Ridge, NJ. Marc's Deli and Pizza has represented to the School and USRPTO that it will use its best efforts to make sure that the pizza that is made will be gluten free (and shall be openly labeled as such).

By signing below, the parent or legal guardian hereby understands that despite the best efforts of the pizzeria, School and USRPTO, there is an inherent risk of cross-contamination\* either at the time the pizza is made or at the time the pizza is served. By signing below, the parent or legal guardian is assuming and acknowledging such risk. By signing below, the parent or legal guardian hereby releases and will hold harmless the pizzeria, School and USRPTO, as well as its officers, directors, employees, agents, licensors and suppliers (including parents who serve this lunch), from and against all losses, expenses, damages, injuries and costs, including reasonable attorney's fees, in the unlikely event gluten is found in the pizza and/or as a result of any cross-contamination.

On behalf of my son/daughter, I hereby accept the offer of the gluten free pizza.

UNDERSTOOD AND AGREED:

\*Cross contamination is defined as the process by which bacteria or other microorganisms are unintentionally transferred from one substance or object to another, with harmful effects. It occurs when a food that does not itself contain any allergens is tainted with an allergen during food preparation, cooking, storage or serving. Cross contamination can be transferred to food by hands, food-contact surfaces, sponges, cloth towels and utensils.
